

## **Laser Guided Energy (LGE™)**

Target Customer: Department of Defense

### **❖ Demonstrated Effectiveness Over a Broad Range of Targets**

### **❖ LGE Demonstrated Counter-Measures**

- Human Effects: Non-Lethal to Lethal
- Electronics (cell phones, computers, etc.)
- Automobiles
- Improvised Explosive Devices
  - Vehicle
  - Roadside - Buried
  - Suicide
- Infra-structure
  - Buildings
  - Wired Communication Links
  - Electrical Grid

### **❖ Companion Laser Capabilities**

- Counter-Situational Awareness
- Counter-Sensor/ Sniper
- Remote Sensing for Bio / Chem / Explosives
- Secondary Radiation Generation for Advanced Sensing and Imaging

***LGE™ and the Companion Laser Addresses a Large Number of Future Warfare Needs***

***One Basic Technology***
