Laser Guided Energy (LGE™)
Target Customer: Department of Defense

❖ Demonstrated Effectiveness Over a Broad Range of Targets
❖ LGE Demonstrated Counter-Measures
  ➢ Human Effects: Non-Lethal to Lethal
  ➢ Electronics (cell phones, computers, etc.)
  ➢ Automobiles
  ➢ Improvised Explosive Devices
    • Vehicle
    • Roadside - Buried
    • Suicide
  ➢ Infra-structure
    • Buildings
    • Wired Communication Links
    • Electrical Grid

❖ Companion Laser Capabilities
  ➢ Counter-Situational Awareness
  ➢ Counter-Sensor/ Sniper
  ➢ Remote Sensing for Bio / Chem / Explosives
  ➢ Secondary Radiation Generation for Advanced Sensing and Imaging

LGE™ and the Companion Laser Addresses a Large Number of Future Warfare Needs

One Basic Technology
